

## **Vodafone fixed line and broadband local access terms**

These terms apply in addition to our Vodafone fixed line and broadband terms and conditions whenever we agree to provide you with fixed line local service.

- 1.** Unless we agree otherwise, we will supply services only to the premises specified in your application form.
- 2.** If we install equipment at your premises then you must:
  - Not do anything to damage that equipment  
allow us (and our contractors) to have safe access to your premises to install,
  - Maintain and disconnect the equipment.
  - Allow us (and our contractors) to remove the equipment when we stop providing services to you.
  - Tell us if the equipment is damaged or lost.
- 3.** If there is any conflict between these terms and our Vodafone fixed line and broadband terms and conditions then these terms prevail.
