## Keep track of what you use

You can also keep track of your mobile broadband Add-Ons by freeTXTing **'MYADDONS'** to **756** via the SMS icon on your desktop.

Keep an eye on your desktop and we will send you a TXT when you are at 95% and 100% of your data Add-On limit.

## TERMS AND CONDITIONS FOR PREPAY MOBILE BROADBAND CUSTOMERS

- Purchase:
  - Broadband Lite for \$10 a month and get 100MB;
  - Broadband Surfer for \$30 a month and get 512MB or;
  - Broadband Plus for \$50 a month and get 2GB to use each month on Supa Prepay. (each "broadband Add-On")
- The broadband Add-On is charged at the time of subscription and renews every calendar month either while sufficient Supa Prepay balance is available or until cancelled.
- If you have insufficient Supa Prepay balance and your broadband Add-On fails to renew, the broadband Add-On will go on hold for up to 14 days from the date the broadband Add-On was to renew. You cannot use the

broadband Add-On, or alter the broadband Add-On in any other way, while the broadband Add-On is on hold. You can cancel the broadband Add-On while it is on hold.

- Any data not used within a calendar month of purchasing the broadband Add-On will be lost when the broadband Add-On renews.
- You cannot purchase two broadband Add-Ons at the same time.
- If you require more data than the amount provided by your selected broadband Add-On, you can purchase a broadband top up bundle (top up 100MB for \$10 or top up 512MB for \$30) ("broadband top up bundle").
- Broadband top up bundles incur a one-off charge and can be used for one calendar month from subscription. Broadband top up bundles do not recur.

Any unused data remaining on your broadband top up bundle one calendar month of subscription will not carry over to the next calendar month and will be lost.

- If you purchase a broadband top up bundle prior to exhausting your primary broadband Add-On, the data on your broadband top up bundle will be used first before you can access any data remaining on your broadband Add-On.
- You cannot purchase an additional Prepay Mobile Broadband top up bundle while you have credit on your account from an existing Prepay Mobile Broadband top up bundle.
- If you don't purchase a recurring monthly data Add-On, you will be charged the daily casual rate of \$1 per day for the first 10MB then \$1 per MB thereafter on Broadband Surfer and Broadband Plus. With the Broadband Lite Add-On, you will be charged a casual rate of \$0.20 per MB.

11. 3G Broadband usage outside of New Zealand is not included within your broadband Add-On or broadband top up bundle allowances or the casual daily rate.

- National and international coverage and international data roaming and coverage limitations apply. For a list of the latest roaming countries visit [vodafone.co.nz/dataroaming](http://vodafone.co.nz/dataroaming). Vodafone Prepay connection terms and conditions apply.
- For full Prepay terms and conditions see [vodafone.co.nz/about/legal-stuff](http://vodafone.co.nz/about/legal-stuff)
- Vodafone does not support Voice over Internet Protocol (VoIP), and can provide no assurance that currently available access levels may be maintained.

## Data Add-Ons

To get the best value with Prepay Mobile Broadband, buy a monthly data Add-On. Simply freeTXT one of the following to **756** using the SMS icon on your desktop:

FreeTXT 756	Add-On	Data	Cost (Incl. GST)	Recurrence*
BUY BBLITE	Broadband Lite	100MB	\$10.00	Calendar month
BUY BBSURFER	Broadband Surfer	512MB	\$30.00	Calendar month
BUY BBPLUS	Broadband Plus	2GB	\$50.00	Calendar month

\*Add-Ons will recur each calendar month provided you have enough credit. For more details see the Prepay Mobile Broadband terms and conditions page of this booklet.

If you don't purchase a recurring monthly data Add-On, you will be charged the daily casual rate of \$1 per day for the first 10MB then \$1 per MB thereafter on Broadband Surfer and Broadband Plus. With the Broadband Lite Add-On, you will be charged a casual rate of \$0.20 per MB.

## Top up bundles

If you run out of data on your recurring monthly Add-On, you can simply purchase a top up data bundle and get going again.

FreeTXT 756	Bundle	Data	Cost (Incl. GST)
BUY TOPUP100MB	Top up 100MB	100MB	\$10.00
BUY TOPUP512MB	Top up 512MB	512MB	\$30.00

Top up bundles last for a month from when they are applied and will be used before your recurring monthly data Add-On.
