Set Up Charge	12 or 24 month contract	Free Vodafone Ultra Hub WiFi modem (normally \$149, \$14.95 postage and handling charge applies). Free standard broadband connection
	Open term	<p>Standard broadband connection (\$101.20 for ADSL/VDSL, \$199 for Fibre/FibreX)</p> <p>A Vodafone Ultra Hub modem may be purchased for \$149 (\$14.95 postage and handling charge applies) or you can choose to bring your own ADSL2+ or Fibre capable modem.</p>
	See 'Other Charges' for additional setup charges which may apply.	
Access Type	<p>Fibre</p> <p>Actual max user speeds will vary and are affected by various factors including how you're connected to the internet (using a Gigabit Ethernet cable is better than WiFi, which could have a large impact on speed), the hardware and software used, number of devices connected, time of day, and where the data is downloaded from.</p> <p>FibreX</p> <p>FibreX is a hybrid fibre coaxial network that uses fibre cabling to the local area and coaxial cabling to the home. The FibreX Max plan is the fastest connection available on Vodafone's superfast Gigabit network. But, "Gigabit" describes the network speed capability, and not the actual speed you will experience.</p> <p>Actual user speeds will vary and are affected by various factors including how you're connected to the internet (using a Gigabit Ethernet cable is better than WiFi, which could have a large impact on speed), the hardware and software used, number of devices connected, time of day, and where the data is downloaded from. In really good conditions, we expect you'll get download speeds of 700-900 Mbps and upload speeds of 90-95 on our FibreX Max plan. Speeds on our FibreX 200 plan are up to 200 Mbps download and up to 20 Mbps upload.</p> <p>For full FibreX terms, see vodafone.co.nz/FibreX</p> <p>VDSL</p> <p>For more information about access types, click here: http://www.tcf.org.nz/broadbandtypes</p> <p>For more information about broadband speeds and performance, click here: http://www.tcf.org.nz/broadbandperformance</p>	
OTHER INFORMATION		
Minimum Contract Period	You can choose either a: Open, 12 or 24 month term	
Early Termination Fee	<p>If your broadband service is disconnected prior to the completion of the minimum contract period, you will be charged an early termination fee of \$199 if you were on a 12 month term or \$299 if you were on a 24 month term. For more details see vodafone.co.nz/legal/terms-conditions/modem-and-connection/ for VDSL and Fibre, or see vodafone.co.nz/legal/terms-and-conditions/cable-modem-and-connection/ for FibreX.</p>	

	Other early termination fees may apply for other services.
Notice period (cancellation)	One month's minimum notice or any lesser notice period agreed between us applies to all Vodafone Broadband plans.
Other Requirements	<p>To sign up, you'll need:</p> <p>Your NZ driver's licence or other form of identification acceptable to Vodafone. Your account details if moving from another provider Your SKY account details if moving SKY services to Vodafone TV The consent of the property owner or body corporate if you are not the property owner. To agree to your local fibre company end user terms.</p>
Traffic Management	Our policy is to provide you with the best broadband experience possible, so we won't slow down or throttle your connection. However, in some circumstances (such as in the unlikely event of a network attack) we may be required to take reasonable action to protect our customers and effectively manage our network.
Fair Use	<p>Vodafone does not have a fair use policy for Vodafone Fibre, VDSL, FibreX and ADSL Broadband</p> <p>Note that all broadband packs (including the Unlimited Broadband Pack) are for standard residential use only and are not to be used for commercial types of activity or purposes. Non-residential, commercial purposes will include (but is not limited to) e.g. selling bandwidth to third parties or running an Internet Service Provider.</p>
Effects on other services	<p>FibreX – traditional fixed line calling</p> <p>Your broadband requires mains power to operate. If power is not available (e.g. during a local power outage) the broadband, and any services which run over it, may stop working unless you have battery backup in your home.</p> <p>VDSL and Fibre - voice calling over broadband</p> <p>Your broadband requires mains power to operate. If power is not available (e.g. during a local power outage) the broadband, and any services which run over it including voice calling, including telephone calls to Emergency 111 services, may stop working unless you have battery backup in your home.</p> <p>Services that require a traditional fixed phone line to work, such as monitored medical or home alarms, fax machines, or the interactive features of Sky Digital are incompatible with voice calling over broadband. Vodafone recommend checking with your provider if you have any existing phone dependent services.</p>
Other charges	<p>Additional charges may apply for items such as non-standard installations, additional in-home technician work performed at time of connection etc, or if you do not return the TV recorder. For more information visit vodafone.co.nz/broadband</p> <p>Free calls to national landlines are zero-rated for up to two hours at any time. Calls in excess of the two hour per call cap will be charged on a per minute basis thereafter in accordance with your calling plan.
